WEEPING WILLOW

| | |
|------------|------|
| 6-8 feet | 1.00 |
| 8-10 feet | 1.25 |
| 10-12 feet | 1.50 |

Do not let distance rob you of the advantages of our Landscape Service.

If you live so far outside the Portland District that it would not pay to have our Landscape Architect come to your place, just drop a card asking for our Plot Plan Chart. We will send you the chart by return mail and after you have completed it according to instructions, return to us.

From this chart our Landscape Architect will design a detailed landscape planting plan for your place.

A deposit of \$10.00 is required at time chart is returned to us. (A larger deposit will be charged on plans more extensive than average.) This deposit will be credited back to you for purchase of further stock after orders totalling \$30.00 on purchase of stock as per plan have been sent us within one year after satisfactory plans have been sent you.
